MANTA**

Code of Behavior Contract

Please review the following student behavior expectations. The student's signature at the bottom of this page indicates that he/she agrees to demonstrate these behaviors during the entire program.

1. I will come prepared with all materials necessary for full participation.
2. I will use common courtesies at all times.
3. I will try my best to maintain a positive attitude during the entire experience.
4. I understand that I am an ambassador for my school, community, and country and I will treat everyone I meet with respect.
5. I am willing to try new experiences, make new friends, and try new foods as a participant in this travel program.
6. I understand that I am expected to participate in all programs and activities during the travel program.
7. I am willing to take directions from all those in charge including the group leaders and instructors.
8. I will obey all laws and engage in no inappropriate conduct, including drugs and alcohol use.
9. Finally I understand that my acceptance into this program is conditional and if at any time I fail to live up to these responsibilities, I may be removed from the group.

Students Signature_____Date_____

The behavior expectations outlined above are crucial for the success of our educational program. The instructors must be confident in each student's ability to be cooperative and dependable before we can accept them into this program. Your signature at the bottom of this page indicates that you understand and agree with the student behavior expectations and are confident in your child's ability to uphold them. If your child violates the above code of behavior then he/she may be removed from the program and sent home at the parents' expense, with no refund of tuition fees.
